The British Journal of General Practice

Welcome to the British Journal of General Practice

The British Journal of General Practice is an international journal publishing articles of interest to family practitioners worldwide, with an impact factor of 2.278

In February's issue of the BJGP:

- Research, education, and patient care in general practice
- Patients' perceptions of GP non-verbal behaviour
- Aches and pains in primary care
- Cancer: diagnosis and cure rates
- Impact of the internet on GP-patient consultations
- Frequent attendance in primary care: definitions and implications
- Using expert patients to deliver teaching in general practice
- Living with psoriasis: patient and doctor perspectives

New for 2010: BJGP online presents collections our [Serials](#), now available at a central location and free of charge.

Inside the Online journal: Current issues, Archive, Free content, Help with access.

Online full-length versions: the BJGP now publishes some printed articles in an abridged format. You can find the full-length versions of all papers in the Online journal.

ISSN 0960-1643 (Print), ISSN 1478-5242 (Online).
