Practice Manager's Forum

As a new initiative for 2009, RCGP NI set up a Practice Manager's forum via email. The aim of the forum is to give Practice Manager's an opportunity to identify needs for training within their team and to tell us what these needs are. As a result of the forum, RCGP NI hope to be able to run events tailored to meet these needs based on the importance and demand. The online forum already has 54 members signed up with have 140 members on the database.

The forum is also an aid for Practice Manager's to talk about current issues and problems in private and anonymous online discussions.

The forum can be found online at <http://groups.google.com/group/practice-managers-forum-ni>

If you have not already signed up to the forum and are interested in becoming a member please complete the slip below and return to our office at the address below;
