This is the 3rd London Faculties one day AKT course run by current experienced Examiners. This course has been designed to be attended at least 3 months before planning to sit the AKT. Not only will the course provide an introduction to the AKT, the day will also cover topics of relevance, including statistics and critical appraisal techniques, activities to help prepare for the exam

Objectives

- Key topics
- Study aids and techniques

Who should Apply

This course is suitable for all those who are at the end of

- ST1
- ST2 or ST3

Please note: This course is designed to help develop appropriate learning strategies in preparation for a successful AKT attempt rather than a “crammer course”

Examiners

Dr Marilyn Graham FRCGP

Dr Ann Hardman FRCGP

Dr Anwar Khan FRCGP
