This officially accredited RCGP course is being organised by the North East and South London Faculties. Run over 2 days, the course will familiarise delegates with the assessment process for the CSA module by exposure to methods of preparation, mock CSA cases (conducted in small groups with role players) and general feedback on how to reach your best potential

The course will be delivered by the London team of experienced CSA examiners

This is a must for anyone sitting the nMRCGP

Course Objectives

By the end of the course, you would have

- Learnt more about the aims of the CSA exam with advice on key areas and skills that are examined in the CSA
- Participated in timed mock exam cases
- Received feedback both from experienced role-players and examiners on how to focus your revision

Who should Apply (What Stages are applicable?)

This course is suitable for

- ST2 or ST3 who have at **least 3 months before the exam** to enable you put into practice the successful exam tips that you would have gathered

Please note: This course is designed to help develop appropriate learning strategies in preparation for a successful CSA attempt rather than a “crammer course”

Examiners

Dr Anwar Khan FRCGP, Dr Marilyn Graham FRCGP, Dr Ann Hardman FRCGP
Dr MeiLing Denney FRCGP
