Suffering from a minor illness and want some advice as quickly as possible?

DID YOU KNOW...
that your local pharmacist can give you confidential advice and treatment if needed for a number of common illnesses without the need for an appointment with your GP?

Here are just some of the conditions that your pharmacist can help you with:

- coughs, colds and sore throats
- minor skin conditions and acne
- athletes foot
- styes and minor eye infections
- head lice
- pain, including backache
- cold sores
- diarrhoea/constipation
- colic
- thrush

Pharmacists provide many other services including:
- NHS emergency hormonal contraception
- NHS smoking cessation support
- Advice on travel injection requirements & supply of malaria prevention
