CSA May 2017: Results summary

560 candidates sat the CSA during eight days of examinations between 18 and 26 May 2017, of whom 410 were successful resulting in an overall pass rate of 73.2%. These statistics are broadly similar to those for the May 2016 examination when 559 candidates sat and 386 passed resulting in a pass rate of 69.1%.

45.5% (255) of the candidates were sitting the examination for the first time, the pass rate for this particular group being 78.8%.

The mean score for the entire cohort was 80 out of 117. The highest mark achieved on this occasion was 105 with a further 15 candidates obtaining an overall score of 100 marks or more. All but one of this group of candidates were making first applications.
