▼ Dr Amy Farrah Fowler

Messages: Dr Dana Scully

Hi Amy. Hope you had a good day at the VTS. Just found this link that's relevant to our tutorial on LUTS tomorrow. www.example.com/luts-897536

4 days ago ✓ Read

Thanks for that, I'll have a look. Been doing role play today in the VTS.

4 days ago ✓ Read

Hi Amy, I was just wondering how are you getting on with arranging your next OOH session?

1 day ago [Mark as read](#)

The new Portfolio
allows you to see your
ratings over time for
assessments

	13/09/2018	20/11/2018	04/03/2019	10/09/2019
Case details				
Level of Complexity	High	High		High
Information Gathering				
Encourages the patient's contribution	Needs further development	Competent	Needs further development	Excellent
Responds to cues	Competent	Competent	Competent	Excellent
Places complaint in appropriate psychosocial contexts	Excellent	Competent	Competent	Excellent
Explores patient's health understanding/beliefs including identifying and addressing patients ideas and concerns and expectations	Competent	Needs further development	Excellent	Excellent
Defines the clinical problem				
Takes an appropriately thorough and focused history to allow a safe assessment (includes/excludes likely relevant significant condition)	Competent	Competent	Needs further development	Excellent
Performs appropriate physical or mental state examination	Competent	Competent	Needs further development	Excellent
Makes an appropriate working diagnosis	Needs further development	Needs further development		Excellent

In the new Portfolio the
PDP is attached to each
review period, making it
more meaningful and
obvious to see how you
are progressing

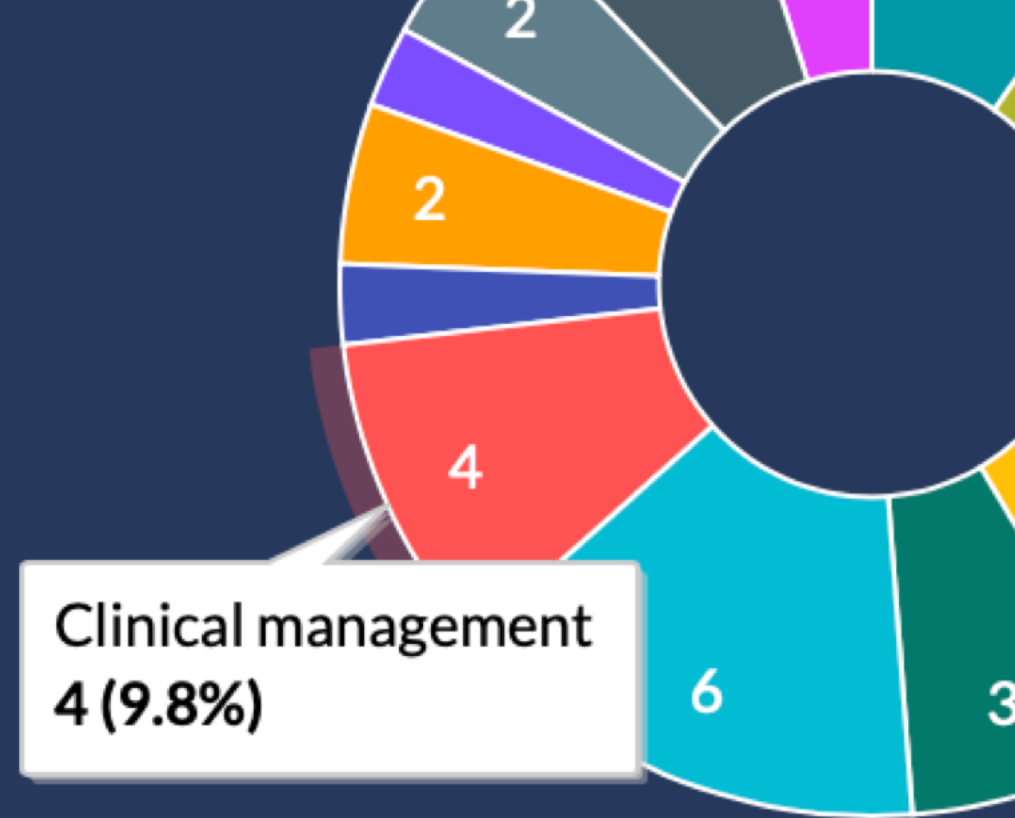

The new trainee
portfolio will
indicate how many
assessments are

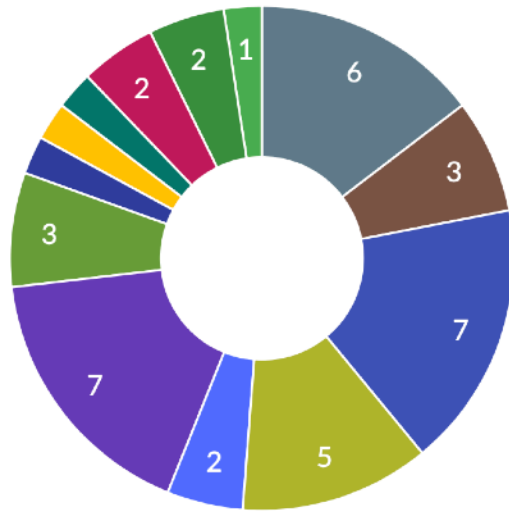

The infographic features two dark blue circles. The top-left circle contains the text 'The new trainee portfolio will indicate how many assessments are'. The bottom-right circle contains the text 'required for each review period depending on percentage worked'. A thick dark blue diagonal line runs from the bottom-left towards the top-right. A small pink circle is on the left edge of the top circle, and a small green circle is on the top edge of the bottom circle. Dotted lines in pink and orange surround the circles.

required for each
review period
depending on
percentage worked

The new trainee portfolio has rich graphs to help demonstrate progression and capability and clinical experience group coverage

Capabilities

Capability	Entries
 Fitness to practice	6
 Maintaining an ethical approach	3
 Communication and consultation skills	7
 Data gathering and interpretation	5
 Clinical Examination and Procedural skills	2

Clinical experience groups

People requiring urgent and unscheduled care
2 (12.5%)

Clinical experience group	Entries
 Infants, children and young people under the age of 19	1
 People with mental health needs (including addictions)	4
 People with long-term conditions and disability	4
 Frail and/or elderly people (including multiple)	3

The new trainee
portfolio has no
limitation on number
and size of
