

Climate Action Award RCGP East Anglia Faculty

RCGP

Last year's winners
Victoria Surgery,
Bury St Edmunds

What are we looking for?

The Climate Emergency's impact on global and local health is clear. Your Royal College is committed to supporting GPs to take action on this. The RCGP East Anglia Faculty would like to present an award with a prize of £200 to a GP Practice in Norfolk, Suffolk, Cambridge and Peterborough who has made changes to reduce its environmental impact and improve sustainability.

How to apply?

Please send us an email with your practice details, name of primary applicant and contact information. Questions to answer in the application include:

1. How have you improved your carbon footprint as a practice?
2. How has a change you have made, improved the engagement of your staff, patients or community with climate change issues?

Please e-mail your applications to: eanglia@rcgp.org.uk

RCGP East Anglia Sustainability Lead: Dr James Smith

Closing Date: Monday 5 January 2026, 12 noon

Annual Awards Ceremony will take place on the evening of Wednesday 4 February 2026
