Dear Ms Test

It appears from our records that your Care Plan is due to be reviewed and updated.

Your usual GP, Dr Tom Cahill, still has overall responsibility for the care and support that we provide you. You can also access our care co-ordinators based at the practice to link with other health professionals involved in your care.

Please contact the Care Plan Coordinating Team on 07517 863 938 to make an appointment or to arrange a home visit if you are housebound.

If you have any queries or concerns, please don't hesitate to contact the Care Plan Coordinating Hub on 07517 863938.

Yours sincerely

On behalf of
The Care Plan Coordinating Hub
